

ROB'S ROWDY RECOVERY

In the winter of 2013, Rob Dow was diagnosed with Stage 2 Rectal Cancer that was caused from the Crohn's Disease he has been battling for the past 30 years. Rob has spent a significant portion of his life in and out of hospitals overcoming one health issue after another with rectal cancer and the painful after-effects of his surgery now being his most difficult battle yet.

In an attempt to help Rob overcome the unnecessary burdens and stress that are caused by mounting medical bills and lost income, Rob's family and friends are holding a benefit on his behalf at Gaelic Park in Oak Forest on Sunday, November 30th, 2014 from 1:00pm to 5:00pm.

Come join Rob, his family and friends for an afternoon/evening filled with great fun, silent auctions, 50/50 raffles, raffle baskets, incredible food from the **COUNTRY HOUSE RESTAURANT** and **DOUGHS GUYS BAKERY**, drinks, and live music from the amazing **HEARTSFIELD!!** It's guaranteed to be a "rowdy" good time!

We are seeking private and corporate donations for this event. Your generous contribution in the form of **raffle items, baskets, gift certificates or monetary contributions**, will allow us to help out during such a difficult time. **Please consider Rob's Rowdy Recovery as a very worthwhile cause and a target audience for your marketing.** All contributors' names will be identified at our event as an advertisement for your company.
